Headteacher: Mrs S Moore

Dear Parents/Carers,

As part of our Early Years Curriculum we would like to involve you more in your child's learning. Your contributions as parents are valuable and inform us of achievements out of school. You can become involved by:

- Attending 'Stay and Play' which will give you the opportunity to look at your child's learning journey and profile with them. After looking at your child's work you can explore our exciting learning environment alongside your child in the areas of provision. You could create something in the Creative Area, read a book in the Book Corner, build in the Building Area, explore the Funky Fingers Table, play our educational Apps on the iPads, play games in the Games Area or act in our Role Play Corner. **Stay and Play is Thursday 12th November from 3.15-4.00pm.**
- Completing the 'WOW Slips' to celebrate your child's achievements at home.
- E-mailing Miss Stringer pictures of achievements at katie.stringer@foston.n-yorks.sch.uk
- Writing in planners.
- Completing homework with your child and listening to them read.
- Discussing the 'Photo Talk' with your child and writing their comments.

If you see your child doing/learning something new, please take a few minutes to write it down or take a picture. It could be putting on their own shoes; sharing something with a friend; counting objects; learning to ride a bike; learning to swim; dressing independently; baking a cake; drawing a picture; caring for animals. All these are important steps in your child's learning and we would like to celebrate them in school!

Spare Wow slips and Star moments are located in a tray in the hallway. Profiles and learning journeys are also located here and are accessible before and after school for parents to read.

If you wish to find out further information on the EYFS Curriculum and the expectations, please come to the EYFS meeting at 3.15pm on Wednesday 25th November.

Kind regards
Katie Stringer

I can / cannot attend the EYFS meeting at 3.15pm on Wednesday 25th November.
